Glenmore Christian Academy (GCA) is a private Alberta accredited Christian school located in the southwest of Calgary, Alberta, specializing in the education of children from JK to Grade 9. GCA is a member of AISCA (Association of Independent Schools and Colleges in Alberta) as well as ACSI (Association of Christian Schools International). GCA's mission is to Teach Truth, Inspire Excellence, Experience Christ and Serve through Love. GCA has a head of school, two principals and a staff of over 100 serving approximately 1000 students.

GCA offers a variety of programs outside of the regular classroom. The ABC Program is a licensed and accredited child care program with the province of Alberta designed to assist GCA families who have Kindergarten to Grade 5 children requiring before and after school care. These programs provide high quality supervision for children between the ages of 4 and 12. In addition, our child care program includes the licensed JK (Junior Kindergarten) daycare program for children aged 3 years old (turning 4 by December 31st of that school year).

The ABC & JK PROGRAMS have an opportunity for an Early Childhood Educator (with Level 1, 2 or 3 Early Childhood Educator certification) who would work approximately 3 hours each school day (3:00pm to 6:00pm). The specific hours will be finalized pending student numbers registered for the out-of-school care/ABC Program by end of August of this current school year. This is a contract position from September to June with the potential of a contract renewal for each following school year. Hours vary on designated PD Days when ABC & JK child care is provided. There is also the possibility of working additional hours if internal staff coverage is required. All hours worked in the programs are applicable for the provincial hourly 'top-up' wage specific to the certification level.
